To make a size larger or smaller than given in pattern, use a smaller or a larger needle respectively. Divide the number of stitches in new gauge into the total number of stitches called for in pattern at chest to find out what the finished size will be. Then compare with blocked measurement on chart.

stitch gauge: This is the most important part of knitting and crocheting. The finished garment will not be the same size as specified unless the correct gauge is worked. If your stitch gauge has **more** stitches per inch than specified in directions, then change to a **larger** size knitting needle or crochet hook. If your stitch gauge has less stitches per inch than specified in directions, then change to a **smaller** knitting needle or crochet hook. It does not matter what size needle or hook is used as long as the stitch gauge is correct.

abbreviations:

k	knit	**yo**	yarn over	**ch**	chain
p	purl	**sl**	slip	**sc**	single crochet
st(s)	stitch(es)	**sl st**	slip stitch	**dc**	double crochet
inc	increase	**psso**	pass slipped stitch over knit stitch	**rnd(s)**	round(s)
dec	decrease	**tog**	together	**tbl**	through back loop

* This symbol indicates that the directions immediately following are to be repeated a given number of times.
"Work even" means to work without increasing or decreasing, keeping the established pattern.

basic stitches:
Stockinette Stitch (stock): K 1 row, p 1 row on straight needles; k every round on circular needle.
Garter Stitch: K every row on straight needles; k 1 round, p 1 round on circular needle.
Moss or Seed Stitch: K 1 st, p 1 st. On next row p the k st and k the p st.

to increase: K 1 st in the regular way, but do not remove from lefthand needle, then k a second st through the back of the same st and slip it off the needle.

to decrease: Either k or p 2 sts together as the case may be. An alternate method is sometimes used, as follows: k 1, sl 1, k 1 and pass the slipped st over the k st which follows it.

crochet stitches:
Chain Stitch: Make a loop on hook, * yo and draw through loop. Repeat from * for required number of chain sts needed.
Slip Stitch: Insert hook into stitch, yo hook and draw through stitch and loop.
Single Crochet: With 1 loop on hook, insert hook into stitch and draw up a loop, yo and draw through the 2 loops on hook.
Double Crochet: With 1 loop on hook, yo, insert hook into stitch, yo, draw up a loop, yo, draw through 2 loops, yo and draw through remaining 2 loops.

blocking for all sweaters: When sweater is complete (threads worked in, etc.), wash in cold water wash and remove as much water as possible (try spin cycle of your washer; no heat nor water). Place on flat surface. Pat and shape to size. Allow to dry thoroughly, then press with steam iron or cloth.
Note: Acrylic yarns require little or no blocking at all. If blocked, should be done **very lightly.** Wash blocking does wonders for the amateur knitter.

Front cover: Carriage cover, style No. 6932, directions on page 34, baby's thumbless mittens, style No. 6933, directions on page 35.

carriage robe

style no. 6914

shown on page 15

materials: **Brunswick Pomfret® Sport Yarn** 50 gram balls, 5 balls **Matching Fabric**, 1 yard. 1 pair No. 6 straight knitting needles. 1 tapestry needle.

Gauge: 5 sts = 1″; 7 rows = 1″.

This blanket is knitted in strips which are sewn together. The resulting square 32″ by 32″ is faced with the matching fabric and makes a nice warm carriage robe. It should be dry-cleaned.

pattern stitch: **Rows 1, 3** and **5:** Sl 1, k 1, * k 1 into the back of the next st, p 5. Repeat from * to 3 sts from end, k 1 into the back of the next st, p 2. **Rows 2, 4** and **6:** Sl 1, k 1, * p 1 into the back of the next st, k 5. Repeat from * to 3 sts from end, p 1 into the back of the next st, k 2. **Rows 7, 9** and **11:** Sl 1, k 1, * p 3, k 1 into the back of the next st, p 2. Repeat from * to 3 sts from end, p 1, k 2. **Rows 8, 10** and **12:** Sl 1, k 1, * k 3, p 1 into the back of the next st, k 2. Repeat from * to 3 sts from end, k 3. Repeat from first row.

blanket: Make three strips as follows: Cast on 35 sts. Knit in stockinette st for 32″. Cast off loosely. Make two strips as follows: Cast on 35 sts. Knit in stockinette st for 5″. Then starting with a p row, work in pattern for 22″. Knit in stockinette st for 5″. Sl st these five strips tog, alternating the patterned strips with the plain ones. Use purl side of plain strips.

to attach to fabric: Block knitted blanket. Preshrink fabric. Cut square of fabric 34″ by 34″. This allows for a 2″ border. Place the knitted blanket on center of fabric square. Turn fabric over edge of blanket, mitering corners. Baste. Blanket stitch to knitted part. Then on fabric side of robe, using yarn and tapestry needle, feather stitch border about 1″ from edge. Also, feather stitch approximately where strips are joined, catching needle through knitted part. This makes a firmer blanket and gives a quilted effect. Press with a steam iron.

blanket stitch: Working from left to right, bring the needle out on the bottom line and insert it above the top line a little to the right, bring it out immediately below, drawing the needle through over the working thread. The needle is then inserted again on the top line a little further along and emerges immediately below on the bottom line and is again drawn through over the working thread.

feather stitch: The thread emerges at the top of the line to be covered and the needle then takes a stitch a little lower down to the right of the line and at an angle. Then pull the needle through on the working thread. A similar stitch is then made on the left hand side of the line and the work is continued in this way alternating to right and to left.

ball

style no. 6915

shown on page 15

A good way to use up odds and ends of yarns. The heavier the yarn is, the firmer the ball will be.

First prepare two cardboard disks with holes in the center. Size of disks depends on size of ball wanted. These are placed together and covered with yarn passing through the hole in the center and over the outer edge. When the whole surface of the two disks is covered and hole is completely filled, insert scissors beneath the yarn around the outer edge and cut all around. Then pass a string between the two disks, wind several times tightly around the threads, secure with a tight knot, leaving ends sufficiently long to make a tie. When the threads, or yarns, are firmly tied, a slit is made in the disks and they are removed. Make a cord from yarn to tie onto string. If desired, small bells can be attached firmly to base of cord. Clip and trim ball to make it even.

K next 2 sts, now k 2 sts from holder, p 1, inc last st. (This will be the last time you will increase at the front edges.)

Wrong side: P 2, k 1, p 4, k 1, p to within 8 sts of other end, k 1, p 4, k 1, p 2. **Right side:** K 2, p 1, k 4, p 1 work across to last 8 sts, p 1, k 4, p 1, k 2.

Repeat the above 2 rows once more, than the p row once. Now repeat the cable twist row.

Please note: Cable is twisted every 6th row. It is worked all the way down each front until within 1″ of desired length. Try to make a twist just before starting ribbing. The size of this sweater is determined by the length of the raglan sleeve track.

When the sleeve track measures	5″	5½″	6″

k across to 1st marker (maintaining cable as established), put sleeve on st holder, cast on 10 sts, work across sts of back, put other sleeve on holder, cast on 10 sts, work across left front. Now work even in stockinette st, keeping cable at front edges until sweater measures

Change to No. 1 needle and dec, evenly spaced all in one row to	36	38	40

sts and work in k 1, p 1 ribbing for 1″. Bind off loosely in ribbing pattern.

Weave or sew sleeve seams. For underarm seams with right sides together, and starting at the base of raglan sleeve track, taper out so as to include any unsightly sts under the arm, then back to a point at the base of other sleeve track.

front band: With No. 3 needle cast on 8 sts and k 1, p 1 making buttonholes in 3rd row by binding off the center 2 sts then casting 2 sts on in the next row over the bound off sts of previous row. Make 4 buttonholes 2″ apart. Make band long enough to go around entire sweater fronts. Do not break yarn but start sewing in this manner. Place right side of band against right side of sweater, having buttonholes on either side you wish. With a whipping st catch the outside thread of each st. Slightly stretch the band as you sew. When you are sure the band is correct length, bind off end and finish sewing. When turned to the right side this makes a flat almost invisible seam.

Wash sweater and place on flat surface, patting to shape, and let dry. Lightly press.

K across front to 1st marker, put sleeve on st holder, cast on 10 sts, k across sts of back, put other sleeve on st holder and cast on 10 sts, k across other front.

Purl back and start lace insert pattern. Please note there are 6 rows of the design and it is worked on 7 sts across. As the design has a tapered point if you wish your design to look like picture you must read the pattern in reverse for right front. Just start at the end of the row and read to the beg.

Lace Insert Pattern: Row 1: P 1, yo, k 2 tog, k 3, p 1. **Row 2:** K 1, p 5, k 1. **Row 3:** P 1, k 1 yo, k 2 tog, k 2, p 1. **Row 4:** K 1, p 5, k 1. **Row 5:** P 1, k 2, yo, k 2 tog, k 1, p 1. **Row 6:** K 1, p 5, k 1.

Next row: P 2, work row 2 of pattern, p to within 9 sts of end, work row 2 of pattern on 7 sts and p 2.

Continue in this manner until you have worked the 6 rows of pattern, repeat rows 1 thru 6 one more time. Now continuing to work the design as before, continue as follows, k 2, work row 1 of pattern, k 5 and start another line of the design by working row 1 of the pattern again, work to within 21 sts of other end, work row 1 of pattern in reverse, k 5, work row 1 of pattern in reverse, end k 2. Repeat the 6 rows of pattern twice and again start another line of pattern as follows, k 2, work row 1 of pattern, k 5, work row 1 of pattern, k 5, work row 1 of pattern, work to within 33 sts of other end and work row 1 of pattern in reverse, k 5, work row 1 of pattern in reverse, k 5, work row 1 in reverse, end k 2.

Repeat the 6 rows of pattern on the 3 lines each side as designated and stockinette on all other sts until piece measures ..... 5½″ 6″ 6½″

from underarm. Change to size 1 needles and work in k 1, p 1 ribbing for 1″. Bind off loosely in ribbing pattern.

sleeves: With No. 3 needle pick up the sts of sleeve and cast on 5 sts at the beg of next 2 rows. Work in stockinette st, decreasing 1 st each side every 2″ twice.

Work even until sleeve measures from underarm ..... 5½″ 6½″ 7½″

Change to No. 1 needle and dec, evenly spaced, all in 1 row to 36 38 40

sts and work in k 1, p 1 ribbing for 1″. Bind off loosely in ribbing pattern.

finishing: Weave or sew seams. To sew underarm seam, start a point at base of sleeve track and being sure to include any unsightly stitches, make a deep seam and back to a point at the base of other sleeve track (like a dart). With No. 3 crochet hook work 5 rows sc up each front making buttonholes (by ch 2, sk 2) in right front. Now work 5 rows sc around neck working back and forth and making 1 buttonhole on right side in 3rd row. Sew buttons to correspond. Lightly press with steam iron.
